

**EASTERN STATES SECTION OF THE
COMBUSTION INSTITUTE
FALL TECHNICAL MEETING**

CALL FOR PAPERS

CHEMICAL AND PHYSICAL PROCESSES IN COMBUSTION

**October 13-16, 2013
Clemson University, South Carolina**

Technical papers are solicited on all aspects of combustion. Papers may cover a broad range of focus, from fundamental combustion phenomena to practical applications of combustion technology. Papers from industrial organizations are strongly encouraged. Presentation of a paper at this meeting does not constitute an archival publication. Newcomers to combustion research and students are particularly encouraged to submit papers. Travel support is available for students presenting their research results that are accompanied by an advisor or mentor from their home institution.

Abstract Deadline: Prospective authors should submit an abstract of 100 to 200 words online by **Friday, August 16** at <https://www.combustioninstitute.org/> (Instructions will be posted on the website.) Decisions on acceptance will be transmitted to the authors by Wednesday, August 21 by the Program Chair, Prof. Arnaud Trouvé (University of Maryland). Extended abstracts (papers) not exceeding six pages in length are to be submitted electronically. Presentation of papers is contingent upon having an electronic copy of the accepted paper received by **Wednesday, September 4**. Early submission is encouraged.

Questions concerning abstracts should be directed to:
Arnaud Trouvé, Program Chair, University of Maryland
Phone: 301-405-8209 or email: atrouve@umd.edu

Submission process questions should be directed to:
Barb Waronek, The Combustion Institute
Phone: (412) 687-1366 or email: office@combustioninstitute.org

The meeting will be held in the Madren Conference Center on the campus of Clemson University (www.clemson.edu/centers-institutes/madren/). The Center includes the Martin Inn and the Walker Golf Course. The program will consist of 2.5 days of oral presentations in three parallel sessions. A Program Book containing the short abstracts and a CD of the extended abstracts will be available at the meeting. A welcome reception/registration will be held at the Madren Conference Center on campus at 6:00pm on Sunday, October 13, 2013.

A block of rooms has been set aside for ESSCI Technical Meeting participants at the Martin Inn. There are also a number of hotels within a 10 minutes drive from campus. Additional information about the conference and venue will be available through a link at the ESSCI website: essci.engr.uconn.edu.
