

Eastern States Section (ESS) Student Travel Support

35th Combustion Symposium

The ESS/CI is pleased to provide travel support to students who are in ESS/CI and will present **accepted technical papers** at the [35th International Symposium on Combustion](#) to be held at San Francisco (Aug.3-8, 2014). We anticipate making awards of up to \$800/per student. **Qualified students must be a current degree candidate at a college or university in the Eastern States Section at the time of the conference and one of the senior co-workers or advisors need to attend the meeting.** Please be advised that the size of the individual award may be adjusted depending on the number of applications within our allocated budget. Travel support will not be available for students who are only giving poster presentations.

To apply for the ESS/CI student travel support, please fill the online form using the following link,

https://docs.google.com/forms/d/1rKnLPpX8sibZLJD9o9JYySdlejhU0EvUbNfj6eTlePc/viewform?usp=send_form

by July 15, 2014, so that we can assemble our final budget in time. Please note your name, email, and mailing address must be accurate and will be used to mail the check of travel support to you during or after the symposium. Inaccurate application information such as name, email, and mailing address may result in difficulty in receiving your check for travel support.

For any question, please contact Prof. Yiguang Ju at Princeton University via yju@princeton.edu.
